Professional Summary

Full Stack Developer proficient in building scalable, high-performance web applications using React, Next.js, Node.js, and MongoDB. Skilled in developing RESTful APIs, implementing secure authentication, and optimizing UI/UX for responsiveness. Passionate about integrating Generative AI and solving real-world problems with innovative solutions.

Technical Skills

Python, Java, Flask, React.js, Next.js, Node.js, Tailwind CSS, JWT, Prisma ORM, Recoil, MongoDB, REST APIs, Git, Vercel

Certifications

- Programming in Python – Udemy
- Generative AI – GeeksforGeeks

Education

Bachelor of Technology
Maharshi Dayanand University, Rohtak | Haryana, India
09/2022 – 08/2026 | GPA: 8.9 CGPA
- Scholarship Recipient
- Completed online course on 100xDevs

Senior Secondary School
Shri Sidheshwar Sr Sec School | Haryana, India
04/2020 – 06/2022 | GPA: 8.5

Work Experience

Full Stack Developer (Intern)
WebsJyoti | Gurugram, India

07/2024 – 08/2024
- Developed scalable and responsive web applications using React, Next.js, and MongoDB.
- Implemented secure user authentication with JWT.
- Improved page load speed by 20% through optimization techniques.

Web Development Intern
NEXT24Tech | Remote
01/2024 – 03/2024
- Designed and developed fully responsive webpage sections for Desi QnA.
- Engineered solutions to detect and remove fake bots and posts.
- Applied clean UI/UX principles using HTML, CSS, and JavaScript frameworks.

Projects

Portfolio Builder
- Built a full-stack web application allowing users to create and customize portfolio websites with dynamic routing and server-side rendering (Next.js).
- Integrated authentication (JWT) and persistent backend storage using MongoDB.
- Deployed via Vercel for fast load times and performance optimization.

Expense Tracker
- Designed and developed an application to track expenses with CRUD functionality and real-time categorization.
- Implemented secure authentication with JWT and protected user-specific routes.
- Created real-time visual summaries (charts) to analyze spending patterns.
